

A group of five people, three men and two women, are sitting on a light-colored wooden bench. They are all looking down at their devices. From left to right: a man in a blue and white checkered shirt and light blue pants holds a smartphone; a woman in a grey and white striped shirt and light blue pants holds a smartphone; a man in a light blue button-down shirt and blue jeans holds a tablet; a woman in a white long-sleeved shirt and denim shorts holds a smartphone; and a man in a grey long-sleeved shirt and grey pants holds a smartphone.

5 TECH PROMOS GUARANTEED TO SUPERCHARGE SALES

Looking for a sales opportunity to power up your profits? Tech is your best bet. **Tech products are in high demand in retail and promo**, especially since people want to upgrade their gadgets now that they're spending more time on them. **Learn the latest and greatest tech products to present**, plus key selling points you should highlight to explain why these products are **better than what's on the market**.

#1. WIRELESS CHARGERS WITH STERILIZER CASES

Why They're Great: Increase Safety With UV Light

KLM Promo Picks:

UV Germ Safe Phone Sterilizer Case With 10W Wireless Charger (KS7003)

With safety concerns top-of-mind for consumers, we're all realizing the germ-carrying potential of tech. Think about it: When's the last time you disinfected your phone? It's now easier than ever to do thanks to **wireless chargers with built-in sterilizer cases**. Not only will this wireless charger **sterilize smartphones and other items with UV light**, it also has an **aromatherapy feature**. And the best part? It's **CE-, FCC- and RoHs-certified** and has gone through all necessary microbiology tests to ensure germ prevention power.

#2. WIRELESS CHARGERS

Ultra Slim Qi Certified 15W & 7.5W Fast Wireless Charger 2.0 (KT2505)

Round Ultra-Slim Qi Certified 15W/7.5W/5W Fast Wireless Charger (KT2507)

In today's fast-paced world, **wireless chargers are only as good as they are fast.** After all, who has the time to sit around waiting for tech to power up? While most wireless chargers only reach speeds of 10W, **this model is available in 15W – more powerful than the average product** in both the retail and promo worlds. What's

more, this wireless charger is Qi-certified, not just Qi-compatible. This distinction makes a big difference in brand appeal, as this shows your client's company strives for the **highest standards of performance** down to the promos they invest in.

#3. WIRELESS EARBUDS

Why They're Great: Retail Style for Less

KLM Promo Picks:

TWS True Wireless Stereo Earbud Headphones With Charging Case (KT3006)

Wireless earbuds have been flying off the shelves in retail, particularly those styled like Apple's Airpods. However, the luxury price tag has caused many consumers to miss out. **Provide your clients with retail trends at a fraction of the cost** by recommending these True Wireless earbuds instead. **Each item comes with the sleek charging case** end-users expect. Seriously, don't let the affordable price fool you: **These earbuds are the real deal.**

#4. PORTABLE CHARGERS

Why They're Great: Fast Charging With Dust and Water Resistance

KLM Promo Picks:

Fast 10W/7.5W/5W Wireless Qi Charger 10,000 MAH Power Bank (KT6023)

From road trips to music festivals, it pays to have a power bank on hand when your tech displays the dreaded low battery message. Given all the rough and tumble tech takes on the move, it's recommended to invest in **IP67-certified portable chargers, which are dust- and water-resistant**. Your clients will get that protection and more when they opt for KLM's **fastest power bank on the market**. Capable of **wirelessly charging Qi-enabled devices at speeds of up to 10W** or charging through a wired connection with its P.D. 3.0 and Q.C. 3.0 technologies and Type C port, this power bank is guaranteed to save the day when end-users need it most – and they'll remember your client made it possible.

#5. CHARGING CABLES

Why They're Great: Multiple Ports to Power Any Device

KLM Promo Picks:

4-in-1 Micro/Type C to Type C/Lightning Charging Cable (KT209)

While tech advancements are great, the multitude of new ports has left most consumers with a collection of **outdated cords that no longer work with their devices**. This 4-in-1 cable solution is here to solve that. Both a charging and sync cable, **this promo comes with ports for Lightning, micro USB and Type C charging needs**. What's more, it also includes a **Type C connector to make Type C to Type C connections possible** – something most charging cables on the market lack. Remind clients that this **versatile product provides a one-size-fits-all** advertising solution: No matter what kind of tech recipients have, this cable will work with it.
